Dear George:

Please accept my thanks for inviting [redacted]  
of my staff to visit Sandia Laboratories in early March.  
The opportunity he had there to review physical security  
research and development was most helpful to our goal of  
enhancing the security programs of the Intelligence  
Community.

Would you be so kind as to convey my particular  
appreciation to Dr. Sam McDowell, Director of the U. S.  
Security Seal Development Program, Department of Energy,  
and Mr. Guy M. Inman of his staff, for setting up the  
trip and making arrangements for contacts at the  
laboratories.

My thanks again for your help and for the welcome  
spirit of cooperation shown by Department of Energy  
personnel in this matter.

Sincerely,

[redacted]
